## Our Philosophy

It is our strong desire always to remain in contact continuously with all our customers. Our Directors visit each of these customers personally at least once a year. This has helped us not only to grow but also to establish a long term business association and friendship.

Our customers are not just customers but in true sense they are "Business Partners" who are a constant source of inspiration in our progress.

Our Quality is superb, the Service is excellent, and support to our customer is genuine. We offer in general best of everything at a very competitive price.

## About Us

Manufacturers and Exporters of Brass Industrial Cable Glands and Accessories Conduit Fittings and Accessories. Brass Sanitary Fittings, Brass Bars, Tubes and Sections, Brass Articles, Brass Auto Parts and Fittings. All Types of Precision Brass Components and Parts.

## Product Range and Vision

"MARUTI" produces Cable Glands, which are manufactured and tested as per prevailing International Standards. In order to satisfy demands of different testing authorities and choosy customers, our range of Cable Glands are as per British Standards BS 6121 and as per German Standards (PG GLANDS).
